Re: **Registration in the register of TV licence fee payers, variable symbol 89123456789**

Dear Madam/Sir,

Since we received no response to our request for clarification of the reason why you do not pay TV licence fees within the set deadline of 30 days, we were forced to include you in the register of TV licence fee payers with the obligation to pay the TV licence fee from **DD.MM.YYYY**.

Your variable symbol for payment of this fee is **89123456789**. Please include it in all relevant payments, as well as in your communication with Czech Television.

The monthly amount of the TV licence fee equals CZK 150. Please remit this amount to Czech Television account No. 8029-1800060583/0300 using variable symbol **89123456789**. The TV licence fee is always payable as of the 15th day of each calendar month.

Please make the first payment of the TV licence fee for the MM/RRRR period in the amount of CZK 150 by 15th mm.yyyy.

In accordance with Section 8(2) of Act No. 348/2005 Coll., on radio and television fees, as amended, you are obliged to notify Czech Television of any and all changes to your registration within 15 days after they occurred. These changes shall then apply from the month following the one in which they were notified (not retroactively).

Reasoning

Pursuant to Section 3(4) of Act No. 348/2005 Coll., on radio and television fees, as amended, if a natural or legal person who is not registered as a TV licence fee payer is an electricity consumer connected to the distribution system, such person shall be considered a TV licence fee payer obliged to pay, unless this person notifies Czech Television to the contrary by means of a written declaration following Czech Television's written request, with effect as from the expiry of a period of 30 days of delivery of such request to no effect. The request must include advice on the consequences of failure to prove the contrary within the set deadline.

Sincerely,

Lukáš Bernatík
